To Whom It May Concern:

This is a recommendation letter for Synergy Stockpile. Advance Distribution and Logistics is a leading provider of commercial distribution and logistical services throughout North America specializing in the distribution of products in the Canadian market.

Synergy Stockpile has worked with Advance Distribution for the past year and we are extremely pleased with their results. As soon as we started using Synergy Stockpiles' calling services we experienced a huge increase in qualified appointments and still today one year later things have only gotten better. Synergy Stockpile is a reliable and professional organization that we are proud to be associated with and we very much appreciate the great work that they continue to provide.

Based on my experience of working with Synergy Stockpile I can unreservedly recommend their services. If you would like further elaboration, feel free to call me at 905-564-5656.

Sincerely,

Max Greco
