To whom it may concern,

Letter of reference for Synergy Stockpile

I confirm that I have dealt with Synergy Stockpile since March 2007, during which time they have provided our Business with excellent support in the areas of Sales Appointments and Marketing feedback. Their work has been a factor in our Businesses, helping us continually grow one new Customer at time. In the Metal Construction industry, Solutions PMG and Sister Company Central Ontario Metal and Construction, are Southern Ontario's premier Design & Build Company servicing Commercial and Industrial Businesses since 1976.

I can confidently recommend Synergy Stockpile as solid and reliable experts in their field.

Regards
Helmut Dahm
