November 5th 2008.

To whom it may concern,

CiF Lab Casework Solutions has used Synergy Stockpile for the last year. In that period, Synergy Stockpile has developed more than fifty (50) excellent, pre-qualified leads for our sales personnel to follow-up on — leads that we would not have developed on our own.

This success, in part, is due to the Synergy Stockpile callers appearing to be CiF employees and their having a seamless interaction with CiF. We have found the Synergy Stockpile callers to be dedicated, consistently pleasant, and able to effectively communicate the benefits of our products and services to prospective customers.

I highly recommend Synergy Stockpile for lead generation. They are professional team players that are a great asset to any organization.

Sincerely,

CiF Lab Casework Solutions

Eric Anderson,
President & CEO.
