Dear Sir, Madam,

This reference letter is provided at the request and on behalf of Brad Durkin.

I have contracted Brad's sales prospecting services in June 2005 and have been very pleased with the results. Brad's mandate for VIBE has been to provide and maintain a constant flow of 50 new prospects on an ongoing basis. As a result of Brad's efforts, I have presented to many prospects within large organizations who have told me that he is confident, tenacious but never abrasive.

My own experience with Brad, both as a past sales target of his former employer and now as a user of his sales prospecting services has been very positive. Brad interacts well with people, is reliable, and shows good judgment.

I would not hesitate to recommend Brad to any organization requiring effective prospecting.

Please feel free to contact me should you require any additional information.

Sincerely,

Johane Desjardins
